RE: Notes from Vending Meeting 4/16/93

Gentlemen:

I recently attended a Vending Meeting in Chicago where the following topics were discussed:

- Camel/Winston Vending Promotions for 1993
- New Vending Audit Procedures
- Proposed new approach to Vending Contracts

Enclosed are notes from this meeting, which I thought you would find helpful.

Should you have any questions after reviewing this material, please feel free to call.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike".
